Dear Mr. Maples:

This letter is in response to your open records request on July 25, 2019. You requested:

1. All findings reports since 2013 for the following CAKY/ResCare/Brightsprings Facilities:

- Elizabethtown	- Louisville
- Frankfort	- Owensboro
- Symsonia	- Lexington
- Henderson	- Hazard
- Bowling Green	

2. All investigations since 2013 of those same facilities.

The request has been reviewed for compliance with the Kentucky open records law and the records are now available for release. The total number of discs fulfilling your request is one. Each disc costs ten dollars (\$10.00) and so the total cost for the responsive records is \$10.00. Please make the check payable to Kentucky State Treasurer and mail to my attention at the address above. Upon receipt of your check, I will then place the documents in the mail.

If you have any questions please contact David Lovely at (502) 564-7905 ext. 3444 or davidd.lovely@ky.gov. You may also contact Evelyn Miller (assistant) at (502) 564-7905 ext. 3441, or evelynl.miller@ky.gov. Should you disagree with this decision, you may seek review by the Attorney General in accordance with KRS 61.880. Thank you.

Sincerely,
David T. Lovely
